Dear Angela,

It means so much to me to know that you were thinking of Coally by sending a gift in his name to the ALEP Foundation. I truly appreciate all of your special care, skill, knowledge and patience with Coally (and me!) I know that you sincerely cared about his welfare. You have a very special gift of compassion. We were lucky to have you in our lives, and I will always have a special place in my heart for you. Good luck in your new practice

Love,
Kathy
